

## Boston Pizza supports Pickering Softball

Boston Pizza and the Pickering Softball Association have teamed up to help fund our softball program. Each time you visit Boston Pizza please look for the contribution box with

our logo to deposit your receipt.

For each dollar in purchases, Boston Pizza will contribute a percentage back to the PSA to help offset expenses and provide additional funds to be used by the league for such things as trophies, uniforms and equipment.

Stay tuned for more information on how you and Boston Pizza can help the Pickering Softball Association.
