

Winter Newsletter 2010

President's Message

Yes, it's almost that time again – ball season! Plans are well underway for the upcoming season as we strive to put forth the best program we can for all of our members – players, coaches, umpires, parents, friends and sponsors.

Registration dates have been set. If you have not already registered for 2010, please look at doing so at one of these open registrations or by printing off the [registration form](#) on our website and mailing it in. Take advantage of lower prices until March 31st. Your early registration will also help us in our planning for divisions, uniforms, and sponsors.

We are still looking to fill a few positions on the Executive, so if you want to directly impact the future of the PSA please contact anyone on the Executive to find out how to get involved.

Look for regular updates on the website and we'll see you on the diamonds. Have a great 2010 season!

Acting President

Volunteers Make it Happen!

Volunteers are an important part of PSA's continued success. They assist through the investment of their valuable time, input, and efforts.

Whether you're lending a hand coaching or being a Member-at-Large, we'd love to have you on board. If you or anyone you know is interested in becoming involved with PSA as a Volunteer, please e-mail any of the Executive or call us at 905-837-0606.

Did you know......your high school student can earn Community Service Hours through PSA? Ask us how! Contact an Executive for more information at www.pickeringsoftball.com.

SELECT TRYOUTS

Being a part of Select enables players to further challenge themselves by sharpening their softball skills. Any registered House League player can sign up to experience the excitement of a slightly more competitive game.

Participating in tournaments in and around the GTA, players have the chance to represent PSA against other Select teams from neighbouring cities. Select Tournaments involve each team playing a minimum of three games during the day with the possibility of playing a 4th should they place in the top 2 of the round robin division.

If you are looking to add a more competitive edge to your playing, contact our Select Coordinator, Dave Northern at select@pickeringsoftball.com.

Police Record Checks

To ensure the safety of our young players, PSA requires ALL volunteers 18 years or older to provide a Police Record Check. **Remember to check the "Vulnerable Sector" box on the form**

All volunteers must submit their PRC to the PSA Privacy Officer, Judi Rigotti. Should you have any questions, contact Judi at privacy@pickeringsoftball.com.

2010 Early Registration

If you were unable to pre-register for the 2010 Season on Champion's Day, don't panic! We will be holding open registration sessions.

Unable to make it to one of the registration nights? No worries! Feel free to fill out a [registration form](#) available on our website. Just mail it or drop it off at our mailing address (@ The UPS Store).

You may also contact our Registrar, Michelle Whaley at registrar@pickeringsoftball.com should you have any questions.

Do you know the rules? Be an Umpire!

Are you interested in using your knowledge of the rules of softball to help teach our young players (and maybe even some coaches and fans) how to play the game by the rules and earn some money at the same time? Then we've got just the thing for you!!!

If you're 12 years old or older (YOB 1997 or earlier) and interested in umpiring, just fill out the "Umpire Sign Up" form located on our website.

For more information concerning our upcoming Umpire Clinics, please contact Ted Thornes at umpirecoordinator2008@pickeringsoftball.com.
